Why sailing in the Caribbean in April or May ?

HOW IS THE WEATHER ?

Enjoy the tropical weather, getting more humid at this time, which makes the islands green and luxuriant.

WHAT ARE THE CONDITIONS OF NAVIGATION ?

The trade winds are lower but constant at this period. You will have a calm and safe cruise.

IS SWIMMING ENJOYABLE ?

Sea water stays around 26°C.

IS THE TEMPERATURE PLEASANT ?

Mean air temperatures vary between 22 and 30°C.

AND WHY NOT LEAVING END OF MAY ?

At this period sailors chose already destinations in European seas. So take advantage of the low season and enjoy the quiet and peaceful moorings.

Our optional services

SKIPPER

Our skippers will be able to organize a cruising program according to your priorities and requirements, thanks to their perfect knowledge of the navigation area and the operation of our boats.

HOSTESS

Enjoy your cruise and savour her meals! Our hostesses are selected for their experience and professionalism, but also for their human qualities, adaptability and discretion.

TRANSPORT

The day of your arrival in Martinique, we can organize your transfer from the airport Aimé Césaire to Le Marin.

KAYAK - PADDLE

Between two moments of relaxation on the boat, take advantage of our watersport equipment for a moment of escape.
