

EXPLORE THE CARIBBEAN DURING SUMMERTIME!

Star Voyage invites you to discover the Caribbean during summertime!

OUR SPECIALS

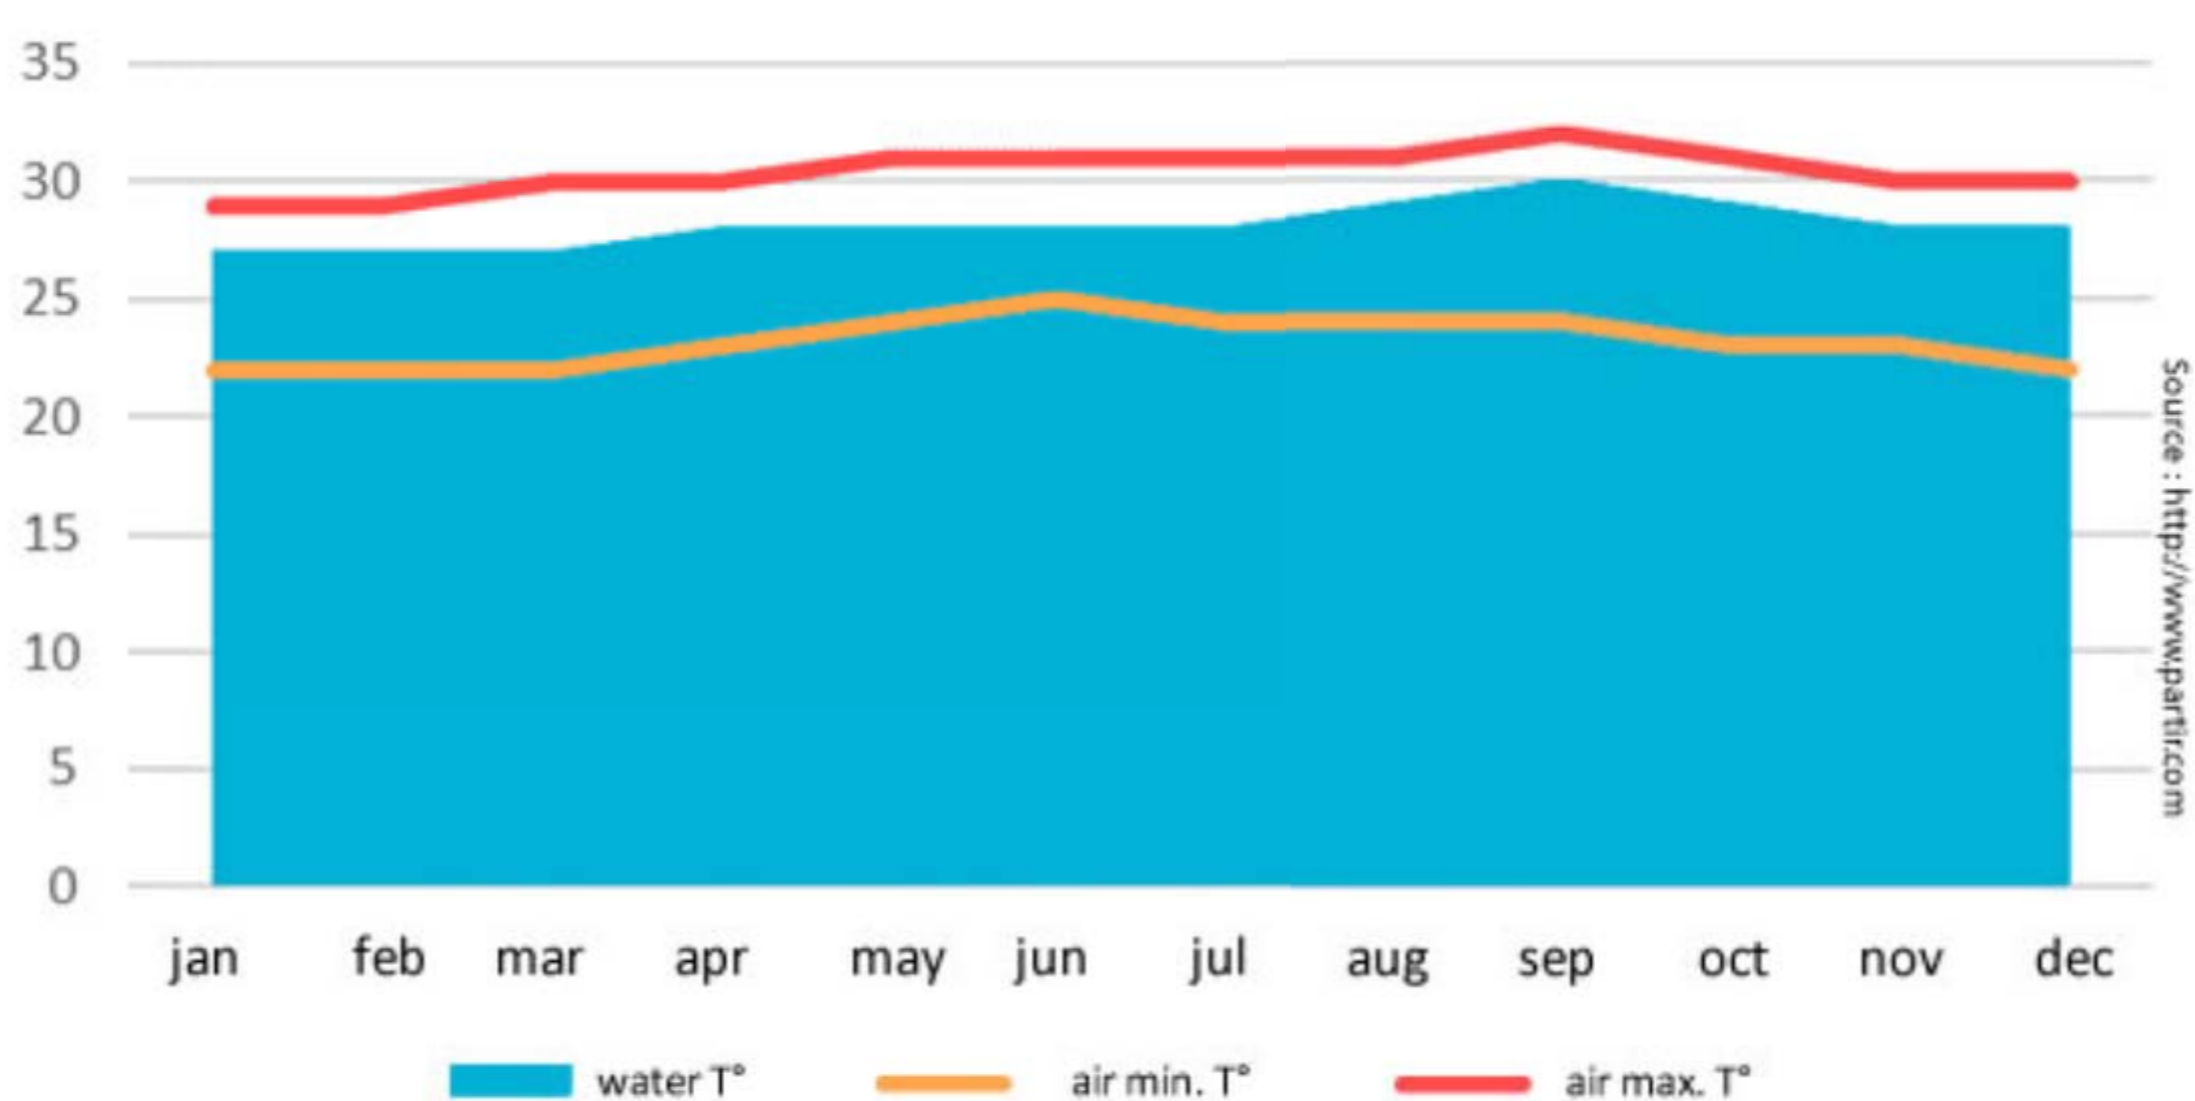

THIS SUMMER, VISIT THE CARIBBEAN

Too often denigrated by tourists, the summer period in the West Indies is nevertheless propitious to navigation. So beware of the received ideas such as the arrival of the hurricanes, which can be predicted, most of the time only rain showers will come up and that will not disrupt the smooth running of your holidays!

WEATHER CONDITIONS

Summary of average temperatures in Martinique

A PLEASANT CLIMATE

The weather is a little wetter but the temperature remains very pleasant, varying from 24°C to 32°C; the sea is 28°C and is also very pleasant

LESS TOURISTS

Enjoy the calm of the place and enjoy the deserted beaches, quiet anchorages, peaceful visits... Enjoy the tranquility of the summer season!

DOWN RATES

During the months of May and June, it is the ideal time to get discounted airfares, but mostly enjoy the attractive prices of our charters from May until August!
